

CALL FOR EXPRESSION OF INTEREST FOR LPG SUBSIDY SCHEME

Uganda aspires to increase the share of clean energy used for cooking from 15% in 2018/19 to 50% by 2025. In line with this aspiration, the government plans to distribute 1 million LPG cylinders between 2022 and 2027 to increase LPG access from 1% to 20% by 2030.

Building on this government initiative that commenced in 2022, Food and Agriculture Organization of the United Nations (UN-FAO), in collaboration with the Ministry of Water and Environment (MWE) and the Ministry of Energy and Mineral Development (MEMD), will be implementing an LPG subsidy scheme targeting teachers in government aided secondary schools in (i) Luweero district (ii) Gulu city and (iii) Arua City. Through this scheme, eligible beneficiaries will acquire subsidized 6kg gas full kit (cylinder filled with 6kg of gas and fitted with burner and grill).

This is to invite eligible applicants.

ELIGIBILITY REQUIREMENTS

- 1) Should be a citizen of Uganda and above 18 years of age
- 2) Should be in active employment as a **TEACHER IN A GOVERNMENT AIDED SECONDARY SCHOOL** located in target geographical location (Luweero district, Arua city or Gulu city).
- 3) Should not currently have LPG connection.
- 4) Should be able and willing to contribute at least Uganda shillings fifty thousand (Ugx 50 000), towards the cost of the LPG Kit (cylinder filled with 6kg of gas and fitted with burner and grill).

APPLICATION REQUIREMENTS

- 1) Filled and signed application form with all required attachments
- 2) Copy of valid personal identification e.g., National ID, Passport, or any other personal identification document officially issued by relevant authority.
- 3) Application forms **MUST** be endorsed by respective School Head Teacher.

Application forms can be accessed at the following locations.

- 1) FAO field office in Luwero. Plan International Road, Kizito Zone, Luwero Town Council
- 2) FAO field office in Gulu City. Senior Quarters, Upper Churchill Road, Plot 16, Laroo Division
- 3) FAO field Office in Arua City, Bwona Vola/Mvara Road Plot 10
- 4) FAO Office in Bugolobi, Kampala, Plot 92 Luthuli Avenue
- 5) FAO office in Wandegeya, Kampala, Plot 88 Buganda Road

SUBMISSION OF APPLICATIONS

- Applications should be addressed to the address below:
The FAO Representative in Uganda
Attn: Project Coordinator, Forest Management and Sustainable Charcoal Value Chain Project
Plot 88 Buganda Road
P.O. Box 521 Kampala, Uganda
- Applications can be **physically submitted to nearest FAO offices-** in a sealed envelope. Applications can also be sent via email; UG-Charcoal-Value-Chain@fao.org.
- Deadline for submitting applications is **Friday 9 February 2024 at 2:00pm (East African Time)**
- Incomplete applications or applications received after the closing date will not be considered.
- FAO does not charge applicants any fees at any stage of the recruitment process.
